Important Announcments

Staff Changes: Mrs. Rosal

I hope that you will join me in welcoming Ms. McKay as she joins us during Mrs. Rosal's maternity leave. Ms. McKay has been substituting at Aurora all year, so I'm sure you will recognize her from the hallways!

We wish Mrs. Rosal all the best as she waits for Baby Rosal, and can't wait to see her when she arrives!

Staff Changes: Mrs. Shishkin

It is with a heavy heart that we announce that Mrs. Shishkin, our Elementary Secretary, is stepping away from her position after 5 years. She will be spending more time with her lovely son as he participates in an amazing hockey opportunity. It's a very Canadian story!

I know you will join me in wishing Mrs. Shishkin well in this new chapter of her life.

Staff Changes: Ms. Hill

Ms. Hill's term contract has come to an end with this school year. We were so thankful that she was able to join us when Mrs. Healy became Assistant Principal. I know you will join me in wishing Ms. Hill well in her summer adventures!

Year End Bus Beacon Collection

Please hand in your child's bus beacon between June 18 - 27 to your bus driver. Beacons must be returned so that we can replace batteries and do any software updates over the summer. You will be able to track your child's bus without the beacon; you just won't get any notification of when the get off or on the bus.

Any beacons that are not returned will be charged $15.00 to your child's Family Zone account. New beacons will be issued in September and sent home in an envelope for your child.

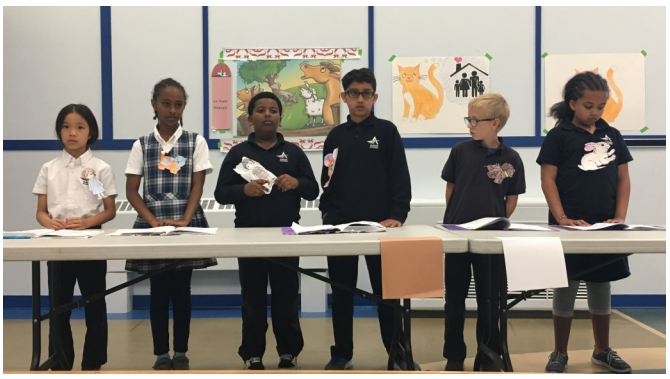
Bus News for 2018/2019

Bus routes are under construction for 2018 - 2019 school year and once complete, all bused families will receive an email with the Confirmation of Busing for their children by July 10.

If you haven't received an email by July 30, please email lweidel@auroraschool on August 1 requesting the information. Please note that it will be sent to the email provided in Family Zone. (Be sure to check your Junk Mail also!)

Our Students Perform!

Bonjour,
The grade 2, 3, and 4 students performed their French plays at the beginning of the month. The grade 2 students performed, La poule Maboule, while the grade 3 and 4 students did Le petit chat cherche une famille (the little cat looks for a family). We would like to thank all the guests who came to watch their success! We are so proud of the students' hard work and how much they have learned.



Choir

Our Grade 3/4 Choir hosted its first ever outdoor concert to celebrate a year of hard work. The entire school and the parents of the members of the choir enjoyed the sound of song in the sunshine. Special thanks to Mrs. Steinke and Mrs. Powell for teaching choir all year!

Thank you School Council for your support!

Gr. 4 Fire Safety Presentation

Our Grade 4 students enjoyed an entertaining and informative presentation by Edmonton Fire Prevention about fire safety at home and at school, how to create a safe escape plan, and how to stay safe if there is a fire. Our thanks to Mrs. Dias for organizing this presentation.

Aurora Academic
Leadership
CUBS

This month, the Cubs leadership club students held a fundraiser to support the Sherbrook community. They sold popsicles on three different days during the lunch recess and raised $412.00! The students of the Cubs leadership club wanted to contribute to and thank the Sherbrooke Community for taking care of the playground, ice rink, and basketball court which they so generously share with our school. We celebrated a successful year end with a pizza party on Friday, June 16. Thank you Parent Council for supporting our club!

Intramurals

Congratulations to our Teacher Team who narrowly defeated the students in our annual teacher vs. student intramural tournament. Special thanks to Paola Mayo and Ian Gray for playing! Thank you School Council for the medals for the students!

Important Yearbook News

We would like to thank everyone who purchased a 2017/2018 yearbook. A tip-in page—a set of sheets for students to collect signatures from their current classmates— will be sent out to students this month.

There is an adhesive strip on the last tip-in page so that it can be glued into the yearbook when it is distributed in the fall.

Our thanks to Ms. Song for doing an incredible job organizing and creating the yearbook this year!

Make MUSIC EDMONTON June 21st

In honour of St. Jean Baptiste Day on Thursday, June 21st, the French Alliance is hosting a free "Make Music Edmonton Festival," on 124 Street.

Make Music Edmonton follows a French tradition called "Fête de la Musique". It began in Paris many years ago, and ever since musicians offer free music on the streets every summer solstice. This popular event promotes live music, both amateur and professional, of all styles and genres. The Make Music day is as often as possible an outdoor event taking place in streets, squares, etc…

There will be food trucks and more: street performances, giveaways, activities for all ages, local artists, patios and dancing in the street!

School Improvement

Construction Updates

We've been working hard behind the scenes to make the school a better, healthier, and more comfortable space.

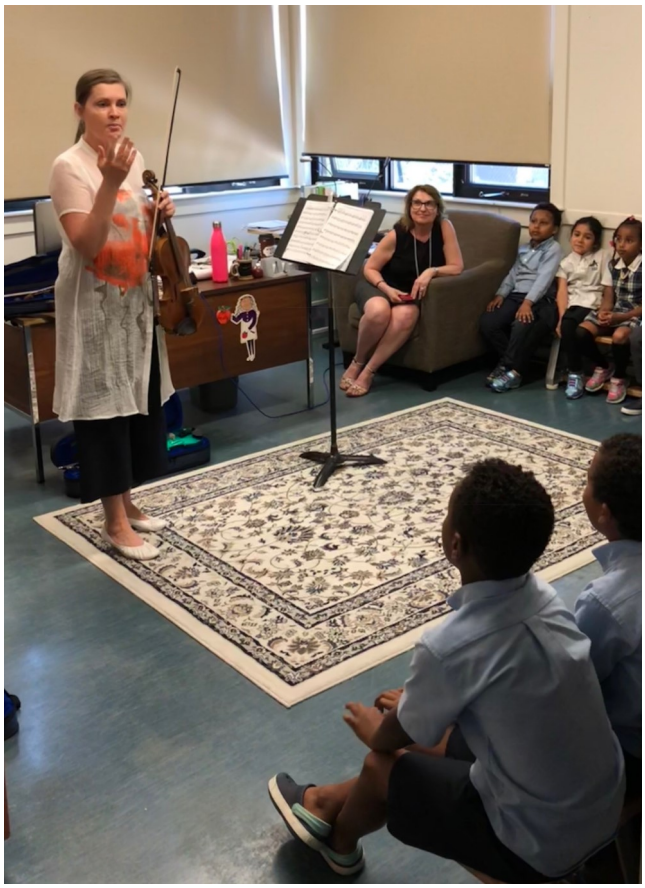
After monitoring temperatures last year and this year, we bought 3 air conditioners for the worst rooms to help keep temperatures at more reasonable levels. We also figured out that by unscrewing the handles, we could pop open the windows an extra foot! We've been able to bring the average indoor temperature down by 6 degrees! 30°C days are still hot, and we still are looking at improvements, but we've been proud of our success so far!

In other news, our elevator passed the first round of inspections and should be "up" and running for the beginning of the school year!

Professional Development

Our teachers spent the June PD day working with each other to begin planning for the 2018/2019 school year! We set field trips, planned classes, and set schedules. We also have an exciting new idea to help teachers address specific projects for school improvement next year. Teachers also worked with the principal to review their Professional Growth Plans from the beginning of the year to take time to celebrate and reflect on our successes and our goals for next year.

We also spent time together at a lunch hosted by School Council for Teacher Appreciation. Lunch was Mucho Burrito and it was Mucho Appreciated! We said goodbye to Ms. Maguire with a special cake and cards as she has moved on from her position in the Learning Commons to take a position with the provincial government. Ms. Oh and Mr. Gray will hold down the fort at the Learning Commons for these last 3 weeks of the year.



Musical Interludes

We would like to send a special thank you to Ms. Vasylevska for coming to play violin to the grade one students. She even had child-sized violins for them to try! Thank you Mrs. Healy, for organizing a special musical treat for the students.

Mrs. Harman's Musings

Diligence, Respect, Cooperation, Attendance, and Accountability

June is a special month. We are finishing one year, but already beginning the next. This month, we welcomed our new kindergarten parents and students at Kindergarten Discovery Day.

Building on what we began last year, we invited all kindergarten parents to join us in the Learning Commons to meet representatives from the Board, School Council, Transportation, and administration. Then, we took the time for fellowship with tea and cookies! The main point of this hour was to give parents a chance to meet the other parents in their children's class. As we said at the time, these people are your new Aurora Family, and will be your support network for the next ten years! Even if you are a proud Aurora Alumni parent who has 5 children in the school, you still need to know this new cohort of parents if you are to have someone you can text in the middle of the night when your child forgot his homework or you are desperate for the spelling words!

It was heart-warming to see our newest Family members grow together. My warmest thanks to Paola Mayo, Ellen Fung, Lisa Weidel, Jacqueline Kossick, Allison Goddard, Mrs. Healy, and Ms. Oh for their help with this event. Maybe we need to host something like this every year at Meet the Teacher Night—a "Meet the (other) Parents Night" for your new classmates. What do you think?

Have a lovely summer!

J. Harman

A Child's Graduation Smile Begins Today

Get an early start on preventing tooth decay by choosing fluoride and dental sealants to protect your child's teeth.

Fluoride from different sources strengthens teeth and repairs early damage caused by tooth decay acids. Fluoride works best on protecting the smooth surfaces of teeth.

Brushing two times a day with fluoride toothpaste and drinking tap water with fluoride are great sources of fluoride for your child's teeth. Professional fluoride treatments like varnish add extra protection. There are other sources of fluoride, but it is important to ask a dental professional before your child uses them.

Dental sealants are thin plastic coatings that cover the deep grooves and pits on the chewing surfaces of teeth. Sealants create a smooth surface that is easier to keep clean, protecting teeth from tooth decay. Ask a dental professional about dental sealants for your child.

Using fluoride and dental sealants today are important steps to help your child graduate with good oral health for life.

Skin cancer is largely preventable, with about 82% of melanomas linked to factors we can change. Exposure to ultraviolet radiation (UVR) is the main cause of skin cancer but other harmful effects include sunburn, premature skin aging, and eye damage. Choose sun-safety strategies that work: a broad spectrum, water-resistant sunscreen with an SPF of 30 or higher, use shade, clothing, a hat with a wide brim, and sunglasses. First, Second and Third-hand Smoke

There are 7,000 chemicals in tobacco smoke, 69 of which we know cause cancer. There is no safe level of exposure to tobacco smoke. Tobacco smoke is either:

First-hand: this is what the smoker blows out.

Second-hand: this is what the smoker blows out or what is released from the end of a burning cigarette.

Third-hand: this is the harmful residue and gases left on surfaces (such as on furniture, in carpet and clothing) after a cigarette has been smoked.

In children, second-hand smoke increases the chance of respiratory infections (like chest colds) and ear infections. Children with asthma will likely have more serious attacks more often.

Smoking in the home or in the car affects everyone in the family, including pets. The best way to protect your family from being exposed to second- and third-hand smoke is to make your home and car tobacco free.

Work together as a family to make a plan:

- Talk about the good things about a tobacco-free home and car.
- Give everyone a chance to speak.
- Plan for guests who may want to smoke.
- Set up an area outside away from doors and windows in case someone wants to smoke.
- Remove all ashtrays from inside your home and clean the one in your car.
- Have signs to welcome guests to your smoke-free home and vehicle.

Celebrate your success as a family. It may take some time for everyone to adjust – there may be small setbacks. Always keep in mind that people who smoke are addicted to nicotine, which can make changes, such as smoking outside, hard to do.
