From the Principal

In this COVID-19 health crisis, so many things have changed and continue to be adjusted as we adapt to a different world. It is an unprecedented time that we will never forget but it is also a time that challenges our determination and innovation as we continue to maintain a strong education program at Aurora Charter School.

Peter Dang
Principal
Middle School

The most important focus of Aurora School is the health and well-being of our families and staff. Teachers have been reaching out to families to assure them that Aurora School is still open and making sure that our communication lines with families are still operational. If you have not done so recently, please check that your contact information in Family Zone is correct. We have resources for mental health and information to obtain financial assistance for families. The school and its staff will remain dedicated to the well-being of families through this crisis and even beyond.

The teachers have done a remarkable job adjusting to the situation to continue providing a strong education program as best as we can given the limitations of online learning and technology issues. After working through some bumps along the way and mastering a sharp learning curve, teachers have adapted quickly to continue teaching in a new method.

Students and families too have adapted to the change in learning. It has not been easy and there will be the occasional bumps but we work them out as education partners in this uncertain time.

As the principal, I continue my role to supervise the overall programming and ensure that it is delivered and received properly. I had the chance to randomly pop into some of the online classes in recent weeks. I remind parents that it is the parent's responsibility to ensure your child's attendance in any online class held by the teacher. School is still mandatory, even if it is online. There are a variety of methods that lessons are being delivered by teachers and not all are actual live online classes. Some are lessons delivered by email, a recorded video, link to a video, or in Google Classroom. The individual teachers will contact the students to inform them of the lessons' format. So it is important that students check their email and Google Classroom for instructions from the teachers.

We will continue to work together to ensure the continuing success of our students. As more information becomes available, we will be in contact with families. For now, we ask that you take care of yourself and your family and contact the school for any assistance. We are here for you.

Superintendents' Corner

We thank our Aurora parents, students, staff and community partners for your caring support and exemplary efforts during this challenging COVID-19 Pandemic. Our Aurora teaching and learning team is truly a caring family and continue to work together to support, educate, evaluate and inspire our students now and into their future. Our website has been significantly updated to provide additional wellness supports and learning resources for our children and families in coordination with our teaching and learning teams and stakeholders.

The shift of students working from home since March 16th, 2020 has been a significant transition from our usual school-based direct instruction model, but we are very proud of the way that our teachers, support staff, students, parents and administration teams have worked tirelessly to ensure that student learning, evaluation, accountability and high achievement will continue on. Moreover, we are here to support student and family ongoing wellness. Our school counselor continues to work and be available to support students and families. Our staff, support staff, and administration are here to support your learning, success, and wellness as well. Your wellness is important and do hesitate to reach out – we are here to help.

A strong sense of community within our Aurora learning community continues on and grows even during this time of social distancing. We are dedicated to following and supporting Alberta Health and Alberta Education recommendations to flatten the curve and reduce the spread of the COVID-19 virus.

All the best in hope, health, learning and happiness during this challenging time of pandemic and know that we are here for you and your families and look forward to continuing our shared journey inspiring learning hope, success, wellness and achievement for every child and family with our Aurora Academic Charter School team.

Sincerely,

Dr. Dale Bischoff

SENIOR BASKETBALL CHAMPIONS

Wow! What a season for the Senior Boys Basketball team. The boys had an undefeated season going into playoffs and were riding high on their success. After 2 very challenging quarter final and semi final games, the boys headed into the final game on Wednesday, March 11th. The whole team played their hearts out and were able to capture the first ever Premier Basketball Championship in our school's 7 year involvement in Edmonton Public Athletics.

Thank you to all of the parents and teachers that have supported our team throughout the season and all through playoffs. Your energy was so important for our team and we thank you for that.

Very proud to coach such and awesome group of talented young men. Well done, BEARS!

May 2020

Congratulations to the Aurora Elementary Running Room Games Teams!

Both the boys and girls teams placed first in their heat races.

The girls placed 17th out of 300 schools.

The boys placed 18th out of 300 schools.

Aurora teams have qualified to race in the quarter-finals. **Well done!**

Chess Club

In May, Mme Tomko will be running an online Chess Club for any Middle School students who may be interested!! She will be forwarding more information soon!!!

Theatre Club

As You Like It was the play that the theatre club attended. It was Shakespeare meets the Beatles in the 1960s! The group attended a lesson with a director of stage fighting to learn about the way that the actors learn stage fighting choreography and the safety that is an important part of this training. Everyone enjoyed the music of the play, the challenge of Shakespeare, and the fabulous set and costumes! At the end of the play, three members of the cast answered a variety of questions that our group had about the play, the characters, and the experiences of the actors.

POWERSCHOOL GRADES AND ATTENDANCE TRACKING

Did you know that there is an app that can help you keep track of your child's grades and attendance?

Download the PowerSchool app on both iOS and android devices.

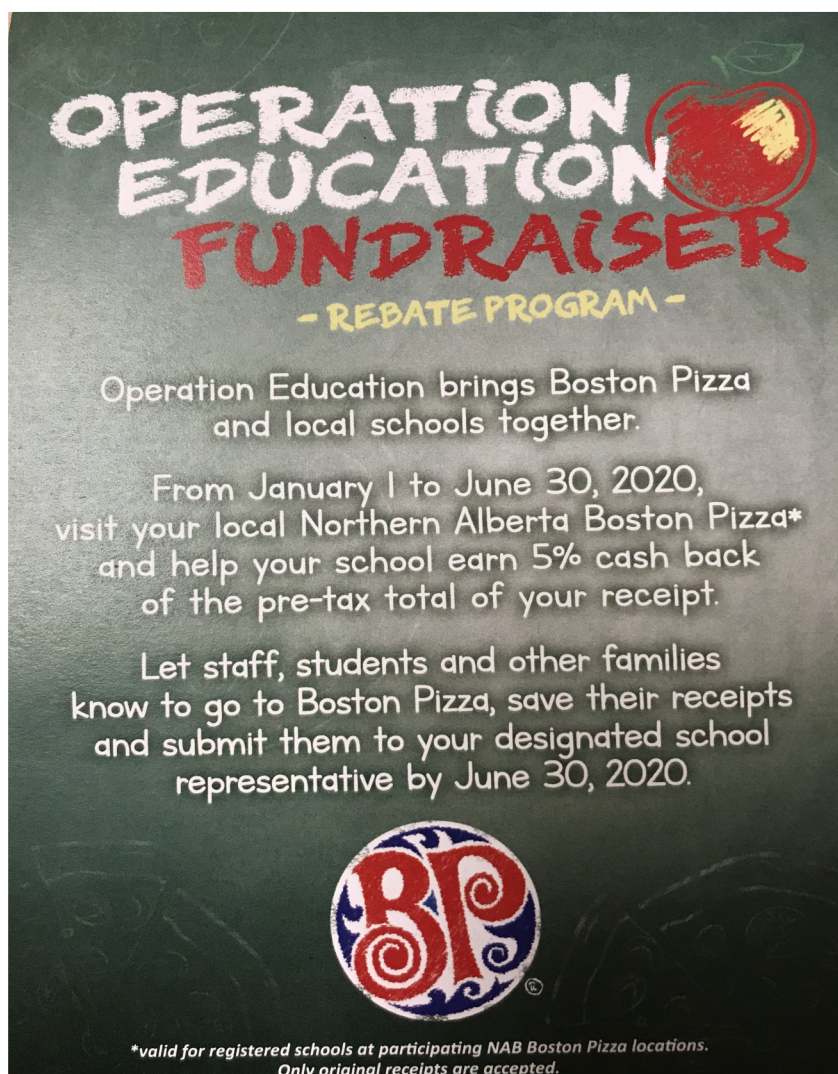

FREE TUTORING SERVICE

The University of Calgary has a special tutoring service that families can access. Aurora School has nothing to do with this program. We are merely informing parents should they wish to use it.

If parents/students in your community would benefit from additional academic support - including reading sessions, subject-specific tutoring, or general study - we'll match them with a pre-service teacher in Werklund's BEd program who can support their child based on their subject area(s), grade level(s), and areas of expertise. Tutors will provide individualized support, and draw on the Alberta Programs of Study as well as content knowledge and strategies in teaching and learning. This is a great way to support students' academic success while also developing our pre-service teachers' skills as educators.

Visit our website for more information or to request a tutor - <https://werklund.ucalgary.ca/undergraduate-programs/student-opportunities/service-learning/k-12-online-tutors>

The poster has a chalkboard background. At the top, 'OPERATION EDUCATION' is written in white chalk and 'FUNDRAISER' in red chalk. Below that, '- REBATE PROGRAM -' is written in yellow chalk. The text reads: 'Operation Education brings Boston Pizza and local schools together. From January 1 to June 30, 2020, visit your local Northern Alberta Boston Pizza* and help your school earn 5% cash back of the pre-tax total of your receipt. Let staff, students and other families know to go to Boston Pizza, save their receipts and submit them to your designated school representative by June 30, 2020.' At the bottom is the Boston Pizza logo. A small note at the very bottom states: '*valid for registered schools at participating NAB Boston Pizza locations. Only original receipts are accepted.'

YEARBOOKS

The 2019-2020 Middle School Yearbook is available to order online! This yearbook is for students who are currently in grades 5 - 9. It will be distributed in November 2020, which is the next school year. Graduates in high school will be sent an email once their yearbook is ready for pick up at Aurora.

The book is a soft cover and is now discounted at \$20.00 because there will be no graduation/farewell photos and quotes this year due to the COVID-19 situation. Regular class photos will still be included for all grades, including grade nines. If you already purchased a yearbook at \$25, Jostens (the yearbook company) already refunded the \$5 back to you to match the reduced price.

Orders are due Friday, May 29, 2020.

No late orders are accepted.

Order online through the Aurora School website under the Parents

EUROPE TRIP

Attention students in grades 6-8 and their parents: The Europe 2021 trip to Scotland, England and France is open for enrollment!

Visit:

www.eftours.ca/2061802ET

to register.

The program fee includes all flights, transport within Europe, hotels, breakfast and dinner every day, insurance, and the services of a full-time guide. Email Miss Wilson at:

mwilson@auroraschool.ca

for more information!!

May 2020

The grade nines (A/C) had a feathered friend come visit them as they are about to journey through their biological diversity unit! Chicken is a Pineapple Conure who has fallen in love with his fellow grade nines as they gave him lots of attention! Chicken helped the grade nines learn about diversity within species and physical/behavioural adaptations.

A close up of our new classroom friend!!

The grade sevens (A/C) have gained a new family member as they have adopted a Beta fish into their science class! Miss. Danyleyko created an ecosphere to bring a mini ecosystem into the classroom to help the grade sevens learn about their new unit: Interactions and Ecosystems. The ecosphere is a fully self-sustaining ecosystem!

School Council and Aurora Fundraising Society Message

Hello Aurora Family!

The School Council and the Fundraising Society want ensure you are all well and hope you are all staying safe and sound during this difficult time. We wanted to let you know that whether you have a concern that you want to bring up or you need a friendly ear please know we are here for you!

You can email us at:

schoolcouncil@auroraschool.ca

or

fundraising@auroraschool.ca

We will be looking at having online meetings, and will update you shortly when that will happen.

Thank you!
